

## UCEM user fees

Valid from November 2024

### General service time

Service	Academic research user fees (SEK)	Non-academic user fees (SEK)
User training, support for instrument and microscope operation, data collection, and advanced image analysis /hour.	250	550

### Electron microscopy

Instrument	Academic research user fees (SEK)	Non-academic user fees (SEK)
TFS Aquilos	/24h	14.000
	cryogenic /24h	16.000
	/hour	1.800
FEI Scios	/24h	14.000
	/hour	1.800
Zeiss Merlin	/24h	14.000
	/hour	1.800
Zeiss EVO	/hour	1.400
FEI Talos	/hour	1.400
FEI Glacios	cryogenic /24h	35.000 /project agreement
	cryogenic /4 hour screening session	
FEI Titan Krios	cryogenic /24h	45.000 /project agreement
Cryo-CLEM	/4h	Please contact us for more information.

### Sample preparation

Task	Academic research user fees (SEK)	Non-academic user fees (SEK)
SEM mounting /sample	50	Please ask us for more information on sample preparation, and project package costs.
SEM coating /sample	150	
SEM critical point drying /sample	250	
BIB RT /sample	300	
Cryo-EM grid and clip-ring	300	
Negative stain service /sample	150	
Negative stain consumables /sample	50	
Embedding service /sample	400	
Sectioning service /sample	400	
Embedding instruments and consumables /sample	250	
Ultratome, including glass knives /hour	50	
Tokuyasu /cryo sectioning service /sample or /hour	1.000	
Immuno on section service /sample	400	
Immuno consumables /sample	250	
HPF+AFS+sectioning (4 freezings) /sample	1000*	
Liquid nitrogen /liter	20	

\* LN2 not included
