

Volvo GTO Europe & Brazil Manufacturing, Umeå

Volvo Group Trucks Operations, Umeå, is Volvo Groups largest production unit of cabs for Volvo's heavy-duty trucks.

The main market is Europe, but the Umeå plant also supplies other markets in Asia, Africa, North and South America and Australia with cabs and cab parts. The cab plant in Umeå has a capacity of 75,000 cabs and is one of Norrland's largest industries with about 1,800 employees. The production facility is one of the world's most modern cab plants with advanced manufacturing technology based on robots and computerized monitoring.

Our ambition with co-op

You will get an opportunity to work together with highly skilled colleagues in a global environment, which provides opportunities for you to develop both on a professional and personal level. You will work in close collaboration with various stakeholders, delivering cutting edge solutions and services in line with the Volvo Group Strategy.

To perform the job successfully, an individual should demonstrate the following competencies:

- **Communicative** – Being able to work with strategic business development and quality through others
- **Problem solving** – Identifies and resolves problems in a timely manner; Gathers and analyzes information skillfully; Develops alternative solutions; Works well in group problem solving situations
- **Technical skills** – Assesses own strengths and weaknesses; Pursues training and development opportunities; Strives to continuously build knowledge and skills; Shares expertise with others
- **Customer service** – Responds to requests for service and assistance; Meets commitments
- **Teamwork** – Exhibits objectivity and openness to others' views; Gives and welcomes feedback; Contributes to building a positive team spirit; Puts success of team above own interests

With Volvo Group Trucks Operations, you will be part of a global and diverse team of highly skilled professionals who work with passion, trust each other and embrace change to stay ahead. We make our customers win!
