

# UMEÅ UNIVERSITET

If you want to be admitted to more than 45 credits at Umeå University in the selection, you can apply for parallel studies. You need to have completed at least 60 credits and only have applied for studies at Umeå University in the current semester to be eligible for being granted parallel studies. Fill in your information and then contact the relevant departments to get their approval and signatures before you upload the form on [Antagning.se](http://Antagning.se) or [universityadmissions.se](http://universityadmissions.se).

Upload your applications for parallel studies after you have applied for the courses, but no later than deadline for supporting documents.
