

UMEÅ UNIVERSITY

Statistics for the 2024/2025 university wide agreements

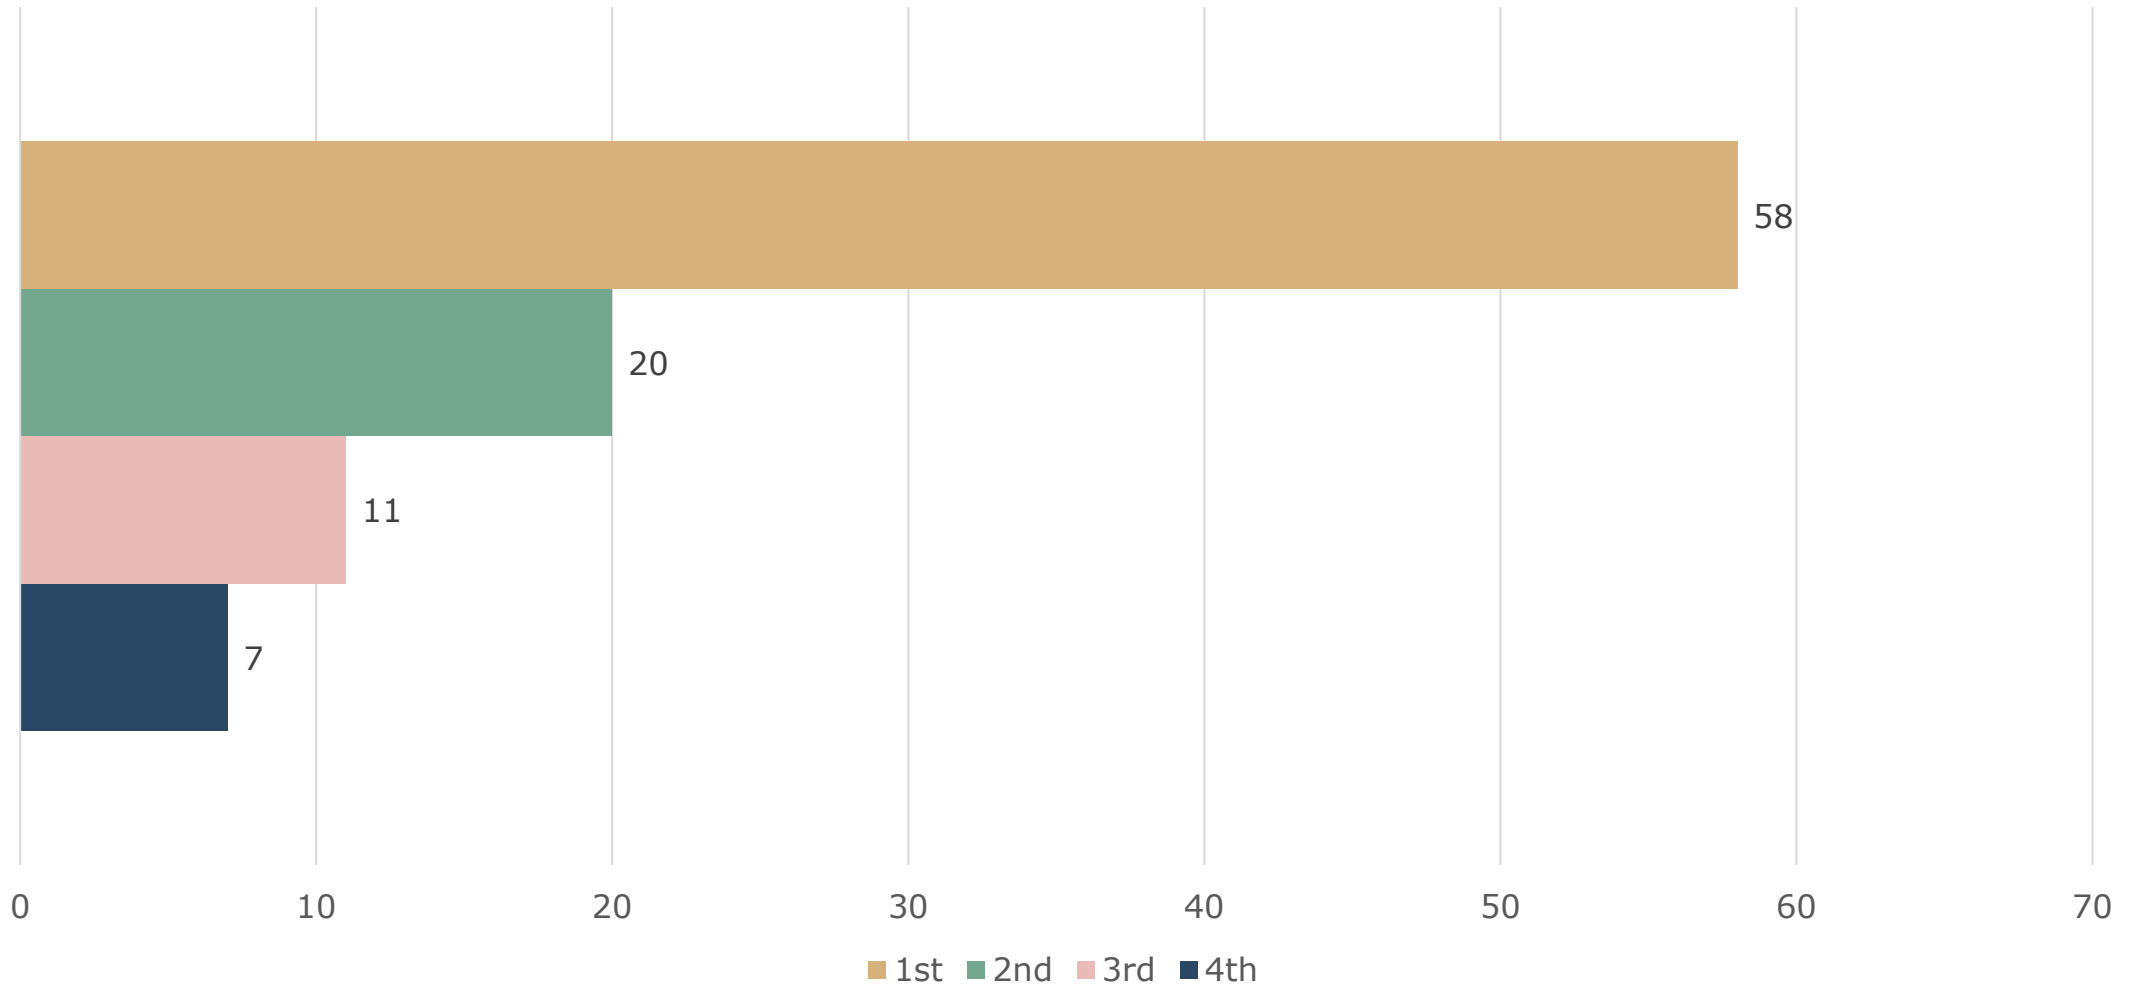

International Office, Umeå University

Umeå University's statistics for exchange studies Academic Year 2024/2025

Before reading this document, we would like you to bear some things in mind:

- This document only includes data from our central exchange partners outside of Europe, i.e. Umeå University's university-wide agreements
- This data is from 2024/2025's first application round. We cannot guarantee that the data will be the same, or even similar, for the 2025/2026 application round, nor for the reserve application round
- The country-specific statistics only show the students' applications, not the places received

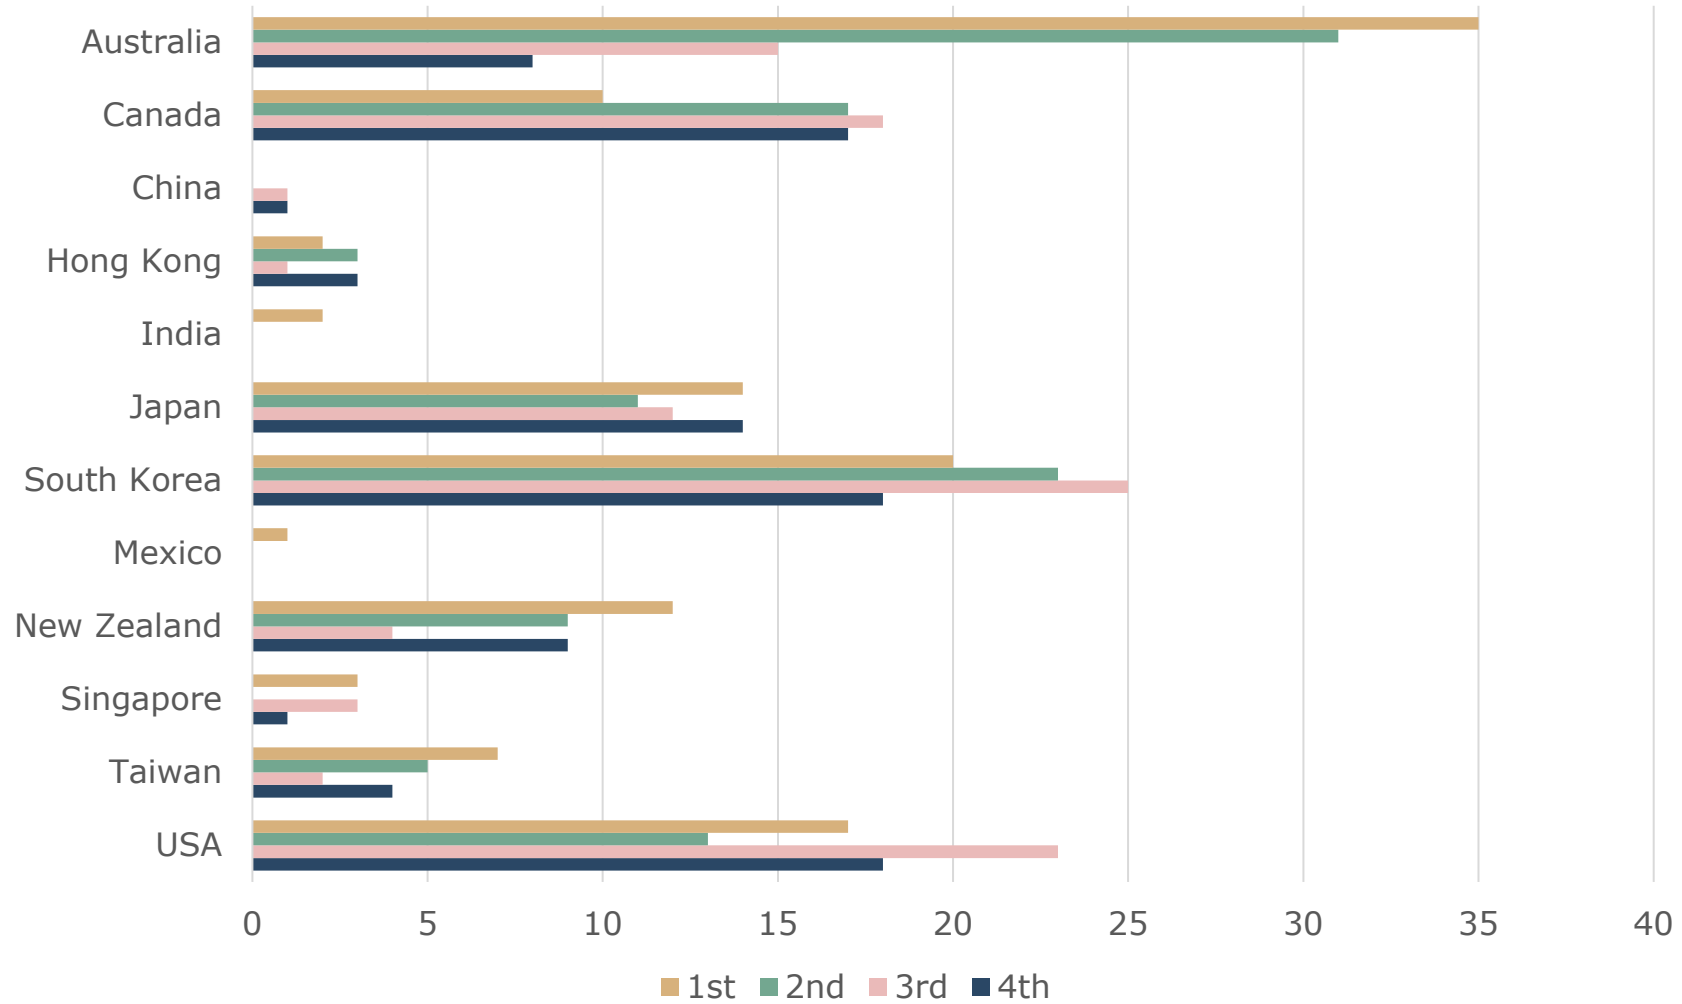

Students who received their priority choice
